## CONTACT INFORMATION

### **Christian Institute of Health Sciences and Research**

Post Box No. 31, Post Office ARTC, Dimapur 797115, Nagaland

Tel No: 03862-242555

Fax: 03862-242530

Website: <http://www.cihsr.in>

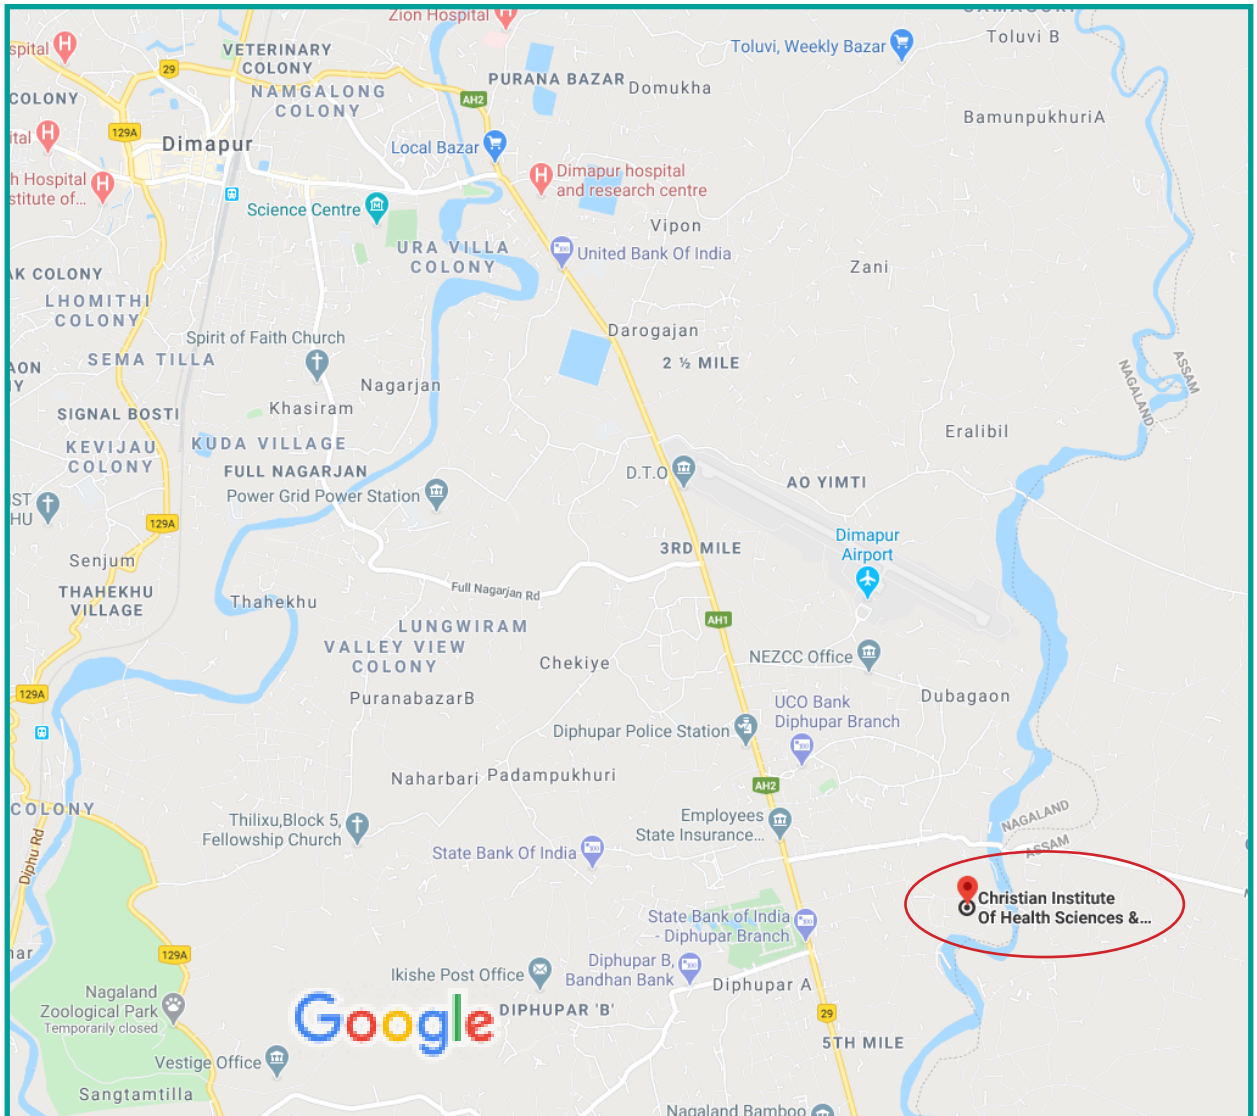

Email address: [edu@cihsr.in](mailto:edu@cihsr.in)

**Capitation Fees and Donations are not accepted.**

# I. LOCATION

The Christian Institute of Health Sciences & Research (CIHSR) is located at Dimapur, Nagaland, a vibrant hill state located in the extreme north - eastern part of India.

## ABOUT DIMAPUR

Dimapur is the main commercial centre for the region. It is the only city in Nagaland which is connected by rail and air. There are direct trains to and from New Delhi, Kolkata, Bangalore, Chennai, Trivandrum and Guwahati. There are also daily flights to and from Kolkata and Guwahati.

## II. ABOUT CIHSR

CIHSR is the culmination of a possible solution for the great need of health in the region. It is a tripartite partnership of Christian Medical College Vellore, Emmanuel Hospital Association (EHA) and the State of Nagaland. The Chief Secretary of the state is the chairperson of the CIHSR society and the Executive Director of EHA is the Chairman of the Board of Directors.

Each of these three organizations comprise the Governing body which facilitates the establishment and growth of the institution that aims at creating a holistic health destination that in turn will take responsibility for reaching out to the furthest most parts of the region and impact health in Northeast India.

CMC Vellore contributes significantly by way of training opportunities, regular visits by consultants, information transfer and advice. EHA provides the sponsorship avenue for CIHSR staff and students to study at CMC Vellore and Ludhiana. Through its wide network of hospitals and friends, it plays a vital role in guiding and facilitating the institution's growth.

The 130 acres land on which the institution stands is on a 30 years lease from the Government of Nagaland. It is situated about 6 kms on the outskirts of Dimapur in Nagaland.

In its 10 years of existence, we have established a high level secondary health

center with a college of nursing, several paramedical courses, postgraduate DNB courses in Family Medicine, surgery and Medicine. We also run health-training courses for lay leaders, Health sector skill development and are a center for conducting distance education course for the M Med postgraduate course from the MGR Medical University.

We run a programme for helping Children with special needs with a developmental paediatrics unit and the precious gems school for special children.

We are in the process of developing a radiotherapy and Cancer care center facilitated by the Tata Trust.

We have signed an MOU with the DONER ministry to develop a regional institution for Allied health sciences and are in the process of setting up the infrastructure.

We continue to develop partnerships and network with likeminded organizations who are interested in the health of the region.

Eventually, we aspire to start a Medical college that will train and develop a large number of individuals who will take responsibility for the health of the region.

# MOTTO AND LOGO

*Serve, Nurture, Transform*

A person washing the feet of a fellow human being depicts the attitude with which health professionals should work.

The servant hood of man was declared by our Lord and master -

“Now that I your Lord and Teacher have washed your feet;  
you should also wash one another's feet.

I have set you an example that you should do as

I have done for you.”

(John 13:3-5).

## VISION:

To develop Christ centered leadership in healthcare, transforming communities through compassion, innovation and excellence.

## OBJECTIVES

- Healthcare – To develop a center of excellence in healthcare
- Education – To develop undergraduate, postgraduate and innovative medical teaching programs to empower healthcare personnel in northeast India.
- Leadership – To develop our staff and medical leaders to the potential that god has created them to be and harness their talents and gifts to significantly impact the region and beyond.
- Community – To develop a vibrant community that cares and supports each other, thereby reflecting the nature and character of Christ to the society around. To encourage this community to proactively engage with the neighbouring communities and society to bring holistic transformation.
- Network – To provide a focal point for a network of hospitals and likeminded organizations in the Northeast so as to make an impact on health in the whole of the region.

## VALUES

- Honesty, transparency and integrity
- Compassion for our patients and staff
- To be a vibrant and supportive Fellowship
- Focus on the poor and marginalized
- Inter denominational and multiracial inclusiveness

# ADMINISTRATIVE OFFICERS OF THE CIHSR

DIRECTOR

Dr. Sedevi Angami  
DM (Gastroenterology)

MEDICAL SUPERINTENDENT

Dr. Clement Momin  
MBBS., D.L.O (E.N.T).

DEPUTY DIRECTOR (ADMINISTRATION)

Dr. Viu Meru  
MBBS., D. P.H.

PRINCIPAL, CoN

Dr. Mrs. Christy Simpson  
M.Sc.N., Ph.D (Obst & Gyn Nsg.).

PRINCIPAL, AHS

Dr. Y Simpson M.A  
(Psychology), DSE, PhD.

NURSING SUPERINTENDENT

Mrs. A. Purnungla Aier  
M.Sc.(N) (Medical - Surgical Nsg).

DEPUTY DIRECTOR (FINANCE)

Mr. T. Kaithang

# III. SELECTION PROCESS AND GENERAL INFORMATION

The following courses will be conducted this year:

## NURSING COURSES

1. General Nursing and Midwifery course (GNM)
2. B.Sc. Nursing (Basic)
3. Post Basic B.Sc. Nursing

## ALLIED HEALTH SCIENCE DEGREE COURSES

1. B.SC. in Medical Laboratory Technology (BMLT)
2. B.SC. in Health Information Management (BHIM)
3. B.SC. in Anaesthesia and Operation Theatre Technology (BAOTT)

## ALLIED HEALTH SCIENCE DIPLOMA COURSES

1. Diploma in Radio Diagnosis Technology (DRT)
2. Diploma in Optometry and Ophthalmic Technology (DOOT)  
Admission to DOOT course is suspended for 2021 – 22 session due to technical problem.  
Candidates may apply for a maximum of three (3) courses  
If a candidate is applying for two or more courses, they must indicate their courses in the order of priority - 1st, 2nd, 3rd choice, in the application form.

**NOTE:** It will not be possible to change their choice after the application form has been submitted.

If a candidate gets selected for two or three of the courses, they will be allowed to join the course of their first choice.

If a candidate is on the waiting list of the first choice and is selected for the second choice, they may move from the second choice to the first choice, subject to seat being subsequently available. However, a student who gets his/ her first choice and is on the waiting list for the second or third choice, cannot move to the latter two even if a vacancy arises in these courses. (Note- the candidate will not be listed in the waiting list)

## DISTRIBUTION OF SEATS WILL BE AS FOLLOWS:

Allied Health Courses: 40% from Nagaland, 60% from other north-eastern states.

Nursing Courses: 50% from Nagaland, 50% from other north-eastern states.

10% of the seats in both the branches are reserved for students sponsored by mission hospitals in the North-East, or by EHA Hospitals, 10% for Males (applicable for Nursing courses only) & 10% for staff children.

Selection will be based on merit. The best in each group will be selected.

A common entrance test will be conducted for all eligible applicants. The questions will be based on both 10th and 12th class syllabus of Nagaland Board.

The shortlisted Candidates will be called for an interview and practical tests.

The final selection will be made on the ranking in the final score of each group.

# APPLICATION FEES

Prospectus and Application Fee	Rs. 600/-
Registration fee (On submission of application form)	Rs. 1000/-
Additional fee per course	Rs. 200/-
Late fee	Rs. 200/-

The Application fee and payment for Prospectus are to be made in cash, through Debit/ Credit card at the billing counter or Demand Draft drawn in favour of "CIHSR - Hospital". In case of cash or debit/credit card payments, the payment slips are to be submitted along with the Application form.

No other mode of payment other than the prescribed mode will be accepted.

NOTE: Cash sent by post will not be accepted.

## HOW TO APPLY FOR ADMISSION:

1. Read the prospectus carefully and determine whether you will be able to meet all the requirements for admission.
2. Fill the application form in your own handwriting correctly, with all particulars required of you. Incomplete forms will not be accepted.
3. Documents to be submitted along with the duly filled Application Form:
  - a) Duly attested photocopy of all following documents:
    - i. State of Domicile certificate (if available), ST/SC/OBC certificate, Indigenous Habitant.
    - ii. Birth Certificate.
    - iii. Admit cards of class X & XII.
    - iv. Marks sheet of class X & XII.
    - v. Pass Certificate of class X&XII.
    - vi. Transfer Certificate of class XII.
  - b) Recent passport size photographs- 4 copies in an envelope. Write your name at the back of each copy. Do not submit loose photographs.
  - c) Written references/recommendation from the following persons and it should not be from the relatives.
    - i. Principal of the school or college last attended.
    - ii. Senior member of the community other than persons mentioned above, example- Gaonbura, village chairman.

NOTE: It is mandatory to provide the Name and Phone number of the above mentioned persons in the space provided in the application form.

- d) Duly filled Hall Ticket for Entrance Test
- e) Payment slip for Application and Registration fee as prescribed

4. For sponsored candidates, a letter from the sponsoring Mission body duly signed by the Head of that organization should be submitted along with the application form and written reference/recommendation from the pastor/religious head
5. Income certificate from the Deputy Commissioner office
6. Disability Certificate from the Government Disability Medical officer

Important: In addition to the above mentioned documents, applicants to the Post Basic B.Sc Nursing course are required to submit the following:

- a) Duly attested photocopy of GNM mark sheet issued by the examining board.
- b) Duly attested photocopy of GNM Pass Certificate.
- c) RN & RM Registration Certificate.
- e) Work experience letter / certificate (if applicable).

All documents should be self-attested. Admit card will not be issued if any one of the documents are not submitted. All the above documents in original should be produced at the time of interview.

### **FOR POSTAL FORM SUBMISSION:**

Download the Prospectus, Application form and Hall Ticket from institution website [www.cihsr.in](http://www.cihsr.in) and submit the complete application form along with the required documents, duly filled Hall ticket and Demand Draft of Rs. 1600/- (Application and Registration Fee) drawn in favour of "CIHSR HOSPITAL" and should be sent to the following address:

**Note:** Cash sent by post will not be accepted.

#### ***For Nursing Courses***

College of Nursing, CIHSR,  
Post Box. 31, Post Office ARTC,  
Dimapur 797115, Nagaland

#### ***For Allied Health Sciences Courses***

Academic office, Room No.1  
Administrative Block  
CIHSR,  
Post box.31, Post Office ARTC,  
Dimapur 797115, Nagaland.

### **REQUIREMENTS FOR ADMISSION TO ALL COURSES:**

1. Selection: All candidates must appear for written / practical test and interview conducted by the selection committee. (Note: No travelling expenses will be paid).
2. Applicant should be medically fit to undergo the course.
3. All candidates called for interview are required to bring a recent X-ray of the chest taken within the last three months clearly showing the name of candidate and date of X-ray taken.
4. If any candidate happens to gain admission to the course by providing false certificates or information, he/she shall be disqualified from the course as soon as it is detected and any fees already paid will not be refunded.

The selected candidates are expected to produce the following documents in original along with three photocopies each, at the time of registration:-

### **POST BASIC B.SC. NURSING**

1. Mark sheet of 10th Standard.
2. Mark sheet of 12th Standard.
3. Pass certificate: 10th / 12th (if applicable).
4. Admit Card 10th & 12th and GNM, if available.
5. Birth Certificate (if not stated in the 10th / 12th admit card)
6. Certificate of Diploma in General Nursing and Midwifery or alternate course (applicable to male candidates)
7. Mark sheet of Diploma in General Nursing and Midwifery or alternate course (applicable to male candidates) from the Examining Board / Nursing Council
8. Registration Certificate of RN, RM from Nagaland Nursing Council
9. Transcript of Diploma in General Nursing and Midwifery or alternate course (applicable to male candidates).
10. Course completion certificate of Diploma in General Nursing and Midwifery or alternate course (applicable to male candidates).
11. Transfer certificate from the School of Nursing / College of Nursing last studied.
12. Four passport-sized photographs.

### **ON THE DAY OF JOINING THE COURSE**

- Migration certificate from the Nursing Board/Nursing school last studied.
- Permanent Residency Certificate
- Indigenous inhabitant certificate /Schedule Caste / Tribe certificate from the Government Authority.
- Hepatitis B Vaccination certificate if vaccinated.
- Registration Certificate of Nagaland Nursing Council

Candidates will not be permitted to join the course if the above documents are not submitted.

### **FOR ALL OTHER DEGREE AND DIPLOMA COURSES**

1. Mark sheet of 10th Standard.
2. Mark sheet of 12th Standard.
3. Admit Card 10th & 12th exams.
4. Pass certificate: 10th / 12th (if applicable).
5. Certificate indicating Date of Birth (if not stated in the 10th / 12th mark sheet).
6. Transfer certificate from the School last studied.
7. Four passport sized photographs.

8. NBSE registration certificate -for those who studied under Nagaland Board of School Education.
9. Indigenous inhabitant /Domicile certificate / Schedule Caste / Tribe certificate from the Government Authority. (any one of the above following))
10. Permanent Residency Certificate

### ON THE DAY OF JOINING THE COURSE

- Migration certificate from the respective Board last studied in for those from other states and other Board of studies.

Candidates will not be permitted to join the course if the above documents are not submitted.

### REGISTRATION FOR ADMISSION TO ALL COURSES:

1. Candidates selected for admission into any course will be required to register by paying the prescribed fee and completing other necessary admission formalities. Fees once paid will not be refunded.
2. Submission of all original certificates is mandatory at the time of admission. Kindly take five photocopy of all certificates before submitting.

Rules and Regulations ( Refer Hand Book)

During the training period, all students are encouraged to participate in various group activities like drama, cultural and musical programs, student retreats, games and sports. Students are expected to attend regular morning worship and evening Sunday service at the chapel.

**Uniform** : A tailor will be arranged to get the material and stitch the uniform and the students have to pay for it.

**Identity Cards** : ID cards will be provided by the institution and must be displayed by the students at all times.

### ATTENDANCE AT LECTURES, TUTORIALS AND DEMONSTRATIONS:

1. Students are required to attend a minimum of 80% theory and 100% practical classes to be eligible to appear for the University/Board exams. Practicals must be 100% before completion of the course.
2. Only sick leave sanctioned by the assigned medical officer of CIHSR will be accepted for absence from classes/ clinical postings.
3. Any student availing leave in excess of that permitted will have to compensate as per the policy of the institution.

**All the students are required to abide by the rules and regulations of the Institute, failing which appropriate disciplinary action will be taken.**

# CALENDER FOR SELECTION OF ALLIED HEALTH STUDENTS

## Diploma & B.Sc. AHS -2021 - 2021

ACTIVITY	DATES
Advertising for all courses	April 3rd week
Issue of application Forms for for the Nursing and Allied Health Sciences courses	19th April to 15th May
Last date for receiving filled in Application Forms	22nd May (Sat)
Last date for receiving filled in Application Forms for all Courses with late fees	5th June
Entrance examination for B.Sc. and Diploma	19th June (Sat) 9AM
Preliminary Selection Meeting for B.Sc. and Diploma	19th June (Sat) 12AM
Announcement of result for B.Sc. and Diploma	19th June (Sat) 1:00 PM
Medical Check-up & Practical Examination for B.Sc. and Diploma	21st June (Mon)
Interview for B.Sc. and Diploma	21st June (Mon)
Final Selection Meeting for B.Sc. and Diploma	21st June (Mon) 3PM
Announcement of the result for B.Sc. and Diploma	21st June (Mon) 4PM
Letter of acceptance	21st June to 3rd Jul (Sat)
Date for Registration & Admission for B.Sc. and Diploma	21st June to 20th July
Date of joining hostel	27th Sep (Mon)
Reporting to the college with parents (compulsory)	27th 2pm (Mon)
Orientation & Commencement of Classes	28th Sep (Tues)

Note : The above mentioned schedule will be strictly followed unless otherwise informed by the office. Admit card is issued while receiving the application form. Please bring passport size photograph along with application.

# CALENDER FOR SELECTION OF NURSING STUDENT PBBSc, B.Sc. GNM : 2021-2022 COLLEGE OF NURSING

ACTIVITY	DATES
Advertising for all courses	April 3rd week
Issue of application Forms for PBBSc, B.Sc.,& GNM Course	19th April to 15th May
Last date for receiving filled in Application Forms for PBBSc, B.Sc., & GNM Course	22nd May (Sat)
Last date for receiving filled in Application Forms for PBBSc, B.Sc., & GNM Course with late fees	5th June
Entrance examination for GNM, B.Sc.(N)	22nd June (Tue ) 9am
Preliminary Selection Meeting	22nd June 4pm
Announcement of result	23rd June 7am(Wed)
Medical Check-up & Practical Examination for B.Sc. (N)& , GNM	23rd June
Interview for GNM, & B.Sc.(N)	24th June( Thu)
Final Selection Meeting	25th June 11 am ( Fri)
Announcement of the result	25th June 5pm
Letter of acceptance	25th June to 3rd July (Sat)
Date for Registration & Admission	25th June to 24th July
POST BASIC B.SC NURSING	
Entrance examination and medical examination	15th June (Tue) 9am
Preliminary Selection Meeting & Announcement of result	15th June 4pm
Practical & Interview	16th June (Wed)
Final Selection Meeting & Announcement of result	17th June(Thu)
Letter of Acceptance	17th June to 26th June
Date for Registration & Admission	17th June to July 17th
PBBSCN, B.SCN & GNM	
Date of joining hostel	27th Sep (Mon)
Reporting to the college with parents (compulsory)	27th 2pm (Mon)
Orientation & Commencement of Classes	28th Sep (Tues)

Note : The above mentioned schedule will be strictly followed unless otherwise informed by the office. Admit card is issued while receiving the application form. Please bring passport size photograph along with application.

## IV. REGIONAL INSTITUTE OF ALLIED HEALTH SCIENCES

On 20th September 2010, an MOU was signed between the North Eastern Council, the Government of Nagaland and CIHSR to set up the Regional Institute of Allied Health Sciences at Dimapur, Nagaland, with a view to train Allied Health Professionals from Nagaland and the rest of the North Eastern states.

Of the 12 planned courses, five courses, i.e., Diploma in Radiodiagnosis Technology (DRT), Diploma in Medical Records Technology (DMRT), Diploma in Medical Laboratory Technology (DMLT), Diploma in Optometry and Ophthalmic Technology (DOOT) and Diploma in Anaesthesia Technology (DAT) were started in 2011, 2012, 2014 and 2015. These courses are affiliated to the Christian Medical Association of India (CMAI). The CMAI is the pioneer for Allied Health Sciences training in India and their graduates are well placed in various parts of the world. However 3 diploma courses DMRT, DAT & DMLT has been discontinued from academic session 2020-21 since B.Sc. degree program has been approved by the Nagaland University for these 3 courses. Now we are running 3 bachelor courses affiliated to Nagaland University in B.Sc. Medical Laboratory Technology (B.Sc.MLT), B.Sc. Health Information Management (B.Sc. HIM) and B.Sc. Anaesthesia and Operation Theatre Technology (B.SC. AOTT).

### DEGREE COURSES IN ALLIED HEALTH SCIENCES

#### B.Sc. MEDICAL LABORATORY TECHNOLOGY (B.Sc. MLT)

The course in B.Sc. Medical Laboratory Technology through Nagaland University has been introduced during 2019.c. MLT It is an allied health profession which deals with the identification, treatment and prevention of diseases with the help of clinical laboratory tests. These professionals assist doctors, scientists and research specialists in diagnosing diseases, thereby providing effective and correct treatment for the patients. About 70% of all medical decisions are based on laboratory reports for which having a well-trained professional in a good laboratory setup is of utmost importance.

A Medical Laboratory Technologist will be required to work with a number of automated analyzers and manual techniques, which require high level of skills and expertise. They will also be involved in medical microbiological work to identify disease causing bacteria, active surveillances for infection control, etc.

The programme aims at achieving the following objectives:

- To provide skill - oriented training to students and thus provide skilled professionals who will be able to manage and work in a variety of medical laboratory settings.
- To provide students with an overview of the latest measurement and recording technologies in this field.

The laboratory technologist will work in different areas of laboratory such as:

- Biochemistry, Phlebotomy
- Clinical pathology, Blood bank, Hematology, Coagulation
- Cytology, Histopathology
- Medical Microbiology like bacteriology, Mycology, Virology, Serology, Parasitology, Immunology
- Inventory management
- Research

There are excellent job opportunities for qualified medical laboratory technologist. They can work in hospitals, research laboratories, public health facilities, industrial laboratories, manage their own laboratory setup and in colleges, teaching and research.

It will also enable health professionals to pursue Post Graduate and Doctoral degrees in Hematology, Biochemistry, Pathology, Microbiology, etc.

#### Eligibility criteria B.Sc. MLT :

Minimum qualification for Application	Pass in 10 +2 examinations or its equivalent in Science Stream (PCB).
Minimum marks obtained should be at least 40% aggregate (SC/ST).	
Sound basic knowledge in PCB	
Age Limit	Age should be 17 years by December 31st of
the joining year and not over 35 years.	
Duration of course	3 Years + 1 Years Internship
No. of seats	10

#### B.Sc. HEALTH INFORMATION MANAGEMENT (B. Sc. HIM)

The course in B.Sc. in Health Information Management through Nagaland University has been introduced during 2019. A Health Information Management (HIM) Professional is one of the key positions in a healthcare organization responsible for management of various health related information of patient generated within the healthcare system. HIM involves maintaining, collecting, analyzing, protecting and disseminating traditional and digital medical information essential for delivery of quality care.

The medical record, in manual or automated form, houses the medical information that describes all aspects of patient care. Physicians, nurses, and other health care providers require medical information for treating a patient. The medical record serves as a communication link among care-givers. Documentation in the medical record also serves to protect the legal interests of the patient, health care provider, and health care facility.

A well trained and skilled HIM professionals would be able to take up various challenging positions in public and private hospitals, public health services, health insurance sector, healthcare IT & research organizations and education institutions.

### Eligibility

Minimum qualification for Application	Pass in 10 +2 with science subjects preferably: English, Physics, Chemistry & Biology subjects taken together at the qualifying examination after a period of 12 years of study.
Minimum marks obtained should be at least 40 % aggregate (35% for SC/ST)	
Age Limit	Age should be 17 years by December 31st of the joining year and not over 35 year.
Duration of course	3 Years + 1 Year Internship
No. of seats	5

### B. Sc. ANAESTHESIA AND OPERATION THEATRE TECHNOLOGY (B.SC. AOTT)

The course in B.Sc. in Health Information Management through Nagaland University has been introduced during 2019. The specialty of anaesthesia has advanced tremendously both scientifically and technologically. With increasing complexity of the surgical procedures, expanding patient population ranging from newborn babies to geriatric patients and sophistication of equipment and techniques required to provide safe anaesthesia to patients, the technological assistance required for this field is more specialized. The learning and understanding of anaesthesia technology has to keep pace with the advancement of the science of anaesthesiology.

The anaesthesia and operation theatre technologist assists the anaesthesia providers in administration of anaesthesia and setting up the anaesthetic and monitoring equipment in the operation theatre. They are also involved with regular maintenance and care of the anaesthetic equipments and monitoring devices. Hence they need to have an extensive knowledge of anaesthesia techniques, instruments, supplies, and technology

B. Sc. Anaesthesia and Operation Theatre Technology is a 4-year degree course which is affiliated with the Nagaland University. We aim to train individuals who will become competent in helping out in various activities in the Operation theatre, Intensive care units (ICU) and assisting anaesthetists in the safe delivery of anaesthesia. And therefore, the course is designed to provide the students with a comprehensive overview of the basic clinical sciences, general clinical principles, operation theatre and sterilization techniques and ethics. They will also be exposed to work in the Intensive Care Units and emergency department. The students will be taught the basics of anaesthetic management in specialities such as general surgery, obstetrics, paediatrics, orthopaedics, ENT and Emergency & Trauma surgery and given ample practical experience in all these areas.

At present CIHSR has 4 major operation theatres which will be upgraded this year to a better facility with 6 state-of-the art modular operation theatres. We also have a well equipped 13 bedded Intensive Care Unit with most of the latest equipment giving students exposure to the most modern techniques in anaesthesia and critical care.

Our B.Sc. Anaesthesia Technology program will have special emphasis on

Basic Sciences	Anaesthetic techniques for special procedures
Applied Anatomy and Physiology	Operation Theatre Techniques, CSSD Procedures
Clinical Pharmacology	Intensive and Critical care
Clinical microbiology	Infection Control
Medical Ethics	Patient safety & Emergency codes

**Eligibility criteria:**

Minimum qualification for Application	10+2 in science (PCB and English) subjects from a recognized Board. Minimum marks obtained should have been at least 45 % aggregate (40 % for SC/ST). A good knowledge of English is essential.
Age Limit	Age should be 17 years by December 31st of
the joining year and not over 35 year.	
Duration of course	3 years (6 semesters) + 1 year compulsory Internship
No. of seats	5

# DIPLOMA COURSES IN ALLIED HEALTH SCIENCES

## DIPLOMA IN RADIO DIAGNOSIS TECHNOLOGY (DRT)

Diagnostic and interventional radiology plays a central role in diagnosis and patient care in any modern hospital. Radiological procedures are essential in practically every field of clinical medicine and only qualified radiographer technicians are permitted to operate the machines. This course is designed to impart training and practical experience in taking X-rays of the human body, ultrasound examination, Computerised Tomography (CT scans), and Magnetic Resonance Imaging (MRI). In addition, they are also trained in a variety of special procedures like Intravenous Urography, Barium studies and Hystero-salpingogram, ESWL (lithotripsy) etc. They are also exposed to interventional procedures, digital radiography and the PACS System.

CIHSR offers a two-year diploma course in Radio Diagnosis Technology which is recognized by the Christian Medical Association of India (CMAI). As it is mandatory that any radiological equipment be operated by trained personnel, this course offers good job opportunities.

### Eligibility Criteria for Radio Diagnosis Technology Course

Minimum qualification for application	Pass in 10 +2 examinations or its equivalent in Science Stream (PCB)
Minimum marks obtained should have been at least 40 % aggregate (35 % for SC/ST).	
A good knowledge in English and Physics is essential.	
Age limit	The candidate must have completed the age of 17 and not more than 35 years on or before 15th of July.
Duration of the course	2 years
Number of students intake	6 students per year

### Subjects taught are as follows:

Sections	Year	Subject
I	First Year	Basics of Medical education Technology research, and communication
II	First Year	Anatomy Physiology and Pathology
III	First Year	Basics of Radiological Physics
IV	First Year	Radiographic Imaging
V	First Year	Physics of Conventional Radiological Equipment
VI	First Year	Practical and Viva-Voce
VII	Second Year	Physics of Modern Imaging Modalities
VIII	Second Year	Hospital Practice and Care of Patient
IX	Second Year	Radiographic Technique in Routine Procedures
X	Second Year	Radiographic Technique in Special Procedures
XI	Second Year	Quality Assurance and Radiation Safety
XII	Second Year	Practical & Viva – voce

In addition to the theory classes, they spend the major part of their time in gaining hands-on experience under the supervision of their tutors.

# DIPLOMA IN OPTOMETRY AND OPHTHALMIC TECHNOLOGY (DOOT)

**Admission to DOOT course is suspended for 2021 – 22 session due to technical problem.**

Optometrists are primary eye care professionals concerned with vision care. An Optometrist has various career opportunities. They can work with an Ophthalmologist, or in an optical shop, evaluating patients for vision defects and providing the corrective lenses. They can work in the community and promote eye care health education and do prompt referral of cases to the Ophthalmologist for treatment and various surgeries.

The Diploma in Optometry and Ophthalmic Technology (DOOT) course in CIHSR is approved by the Christian Medical Association of India (CMAI). The duration of the course is 2 years with 6 months compulsory internship. At CIHSR we aim to train students who will become competent in assessing the visual problems of patients and dispensing the corrective spectacles, diagnose and treat some common eye problems, counselling of patients, assist in the eye surgeries and also be able to handle eye equipment's. The students will also be involved in the community Ophthalmology during their internship. After completing the diploma course, an Optometrist can also go for B.Sc. Optometry.

The following Subjects will be taught in two years and half year DOOT course:

YEAR 1	YEAR 2
English and Computer Fundamentals	Clinical Optometry
Basic Sciences (Anatomy, Physiology, Nursing Methods)	Refraction
Basic Ophthalmology	Applied and Community Optometry
Basic Optics	

**Note :** After the successful completion of second year examinations, students will undergo six months of Compulsory Internship. The Diploma Certificate will only be issued after the completion of the Internship.

### Eligibility criteria:

Minimum qualification for Application	Pass in 10 +2 examinations or its equivalent in Science Stream (PCB). Minimum marks obtained should have been at least 40 % aggregate (35 % for SC/ST). A good knowledge in English is essential.
Age Limit	Age should be 17 years by December 31st of the year of joining and not over 35 years on or before 15th July.
Duration of course	2 ½ years
Number of student intake	3

## V. COLLEGE OF NURSING

The CIHSR, keeping in line with the objective to develop undergraduate and post graduate teaching programs, started the College of Nursing (CON) in the year 2011 to cater to the training needs of not only Nagaland but to the rest of the North East. The College of Nursing, CIHSR is the first nursing college in the state of Nagaland.

The courses offered by the College of Nursing at present are the General Nursing & Midwifery (GNM), under the Assam Nurses' Midwives' & Health Visitors Council and Nagaland Nursing Council, B.Sc. Nursing (Basic) and Post Basic B.Sc Nursing, which are affiliated to the Nagaland University. College of Nursing, CIHSR is approved by the Indian Nursing Council (INC) to conduct the aforementioned nursing courses. Highly competent and experienced nursing faculty and other medical and Allied Health Professionals are associated with the institute to assist our students.

### PLACEMENT

The quality of education in College of Nursing, CIHSR is well recognized by many recruiting agencies. The following agencies apart from have come forward to have campus recruitment drive to offer job for our graduates. The final year nursing students attend the selection process and the selection is based on their merits.

### AGENCIES

- Focus Search Services and Pragmataki Solutions, Singapore
- Narayana Health group of hospitals, Bangalore
- Tata Medical Center, Kolkata

# NURSING COURSES

## LIST OF FACULTY AS ON 31.03.2019

Name	Designation
Dr. Y. Simpson	Principal

### DIPLOMA IN RADIO DIAGNOSIS TECHNOLOGY

Dr. Shirley T Levion	Course Coordinator
Dr. Nishini Hekha	Consultant Radiologist
Dr Shalini Govil	Online Consultant Radiologist
Ms. Idaurale	Tutor
Mr. Laishram Nanao Meetei	Tutor
Mr. Suvankar Das	Physicist
Ms. Achumbeni	Clinical Instructor
Mr. Impangwati	Clinical Instructor

### DIPLOMA IN OPTOMETRY AND OPHTHALMIC TECHNOLOGY

Dr.T. Lipoksanen Jamir	Course coordinator
Ms. Rokovivonuo Thou	Jr. Technician/Tutor
Ms. Mariam Asherii	Clinical Instructor

### B.SC. IN HEALTH INFORMATION MANAGAMENT

Dr. Viu Meru	Course Coordinator & Lecturer Medical Sciences
Ms. Temsutola Sanglir	B.Sc Tutor
Ms. Sedevonuo Zeiphru	B.Sc Tutor

### B.SC. IN MEDICAL LABORATORY TECHNOLOGY

Dr.Noune Miachieo	Course Coordinator, MD Pathologist
Dr. Nito Yepthomi	MD Pathologist
Mr. K G Gaikhonlungpou	M.Sc Hematology & Transfusion Medicine AHS
Mr. K Vijay Kumar	M.Sc Biochemist AHS
Mr. Kekhrie Zao	M.Sc Microbiologist AHS
Ms. Sungkumtangla Jamir	M.Sc Microbiologist AHS
Ms. Seangaung Pamei Brainy	M.Sc Hematology & Blood Transfusion Medicine AHS
Mr. Brahmacharimayum Ruhi Kumar Sharma	B.Sc Tutor

### B.SC. IN ANAESTHESIA AND OPERATION THEATRE TECHNOLOGY

Dr. Adahru Moses(DA, MD Anaesthesia)	Course Coordinator
Dr. Esther Zeliang(DA, DNB Anaesthesia)	Instructor
Dr. Kevitsotuo Vakha (MD Anaesthesia)	Instructor
Mr. Promode Surin(Nurse Anaesthetist)	Clinical Instructor
Mr Khurajjam Chinglen (Nurse Anaesthetist)	Clinical Instructor

## COLLEGE OF NURSING

Name	Designation	Qualification
Dr. Christy Simpson	Principal	M.Sc.(N)., Ph.D. in Obstetrical & Gynecological Nursing
Mrs. Khumjanbeni Murry	Associate Professor and Vice Principal & Principal - School of Nursing	M.Sc. (N) Mental Health Nursing / Psychiatry
Mrs. Cecilia Katasi	Associate Professor - Vice Principal	M.Sc. (N) Paediatrics Nursing
Mrs. Bendangmenla Ao	Associate Professor and Vice Principal	M.Sc. (N) Paediatrics Nursing
Mrs. A. Purnungla Aier	Professor / Nursing Superintendent	M.Sc. (N) Medical Surgical Nursing
Mrs. L. Emi Humtsoe	Associate Professor	M.Sc. (N) Medical Surgical Nursing
Mrs. Nongozonuo Khape	Associate Professor	M.Sc. (N) Medical Surgical Nursing

Mrs. Nukshijungla Ao	Associate Professor	M.Sc. (N) Mental Health Nursing/ Psychiatry
Ms. Arhoni Tungoe	Assistant Professor	M.Sc.(N) Obstetrical & Gynecological Nursing
Mrs. L lidziisa Mao	Assistant Professor	M.Sc. (N) Community Health Nursing
Mrs Worlanso A Shimray	Assistant Professor	M.Sc. (N) Obstetrical & Gynecological Nursing
Ms Philanim A Shimray	Assistant Professor	M.Sc. (N) Medical Surgical Nursing
Mrs. Nikeitenuo Medom	Msc tutor	M.Sc. (N) Community Health Nursing
Ms. Ruokuokhonuo Livi	Msc tutor	M.Sc. (N) Community Health Nursing
Ms. Merentola Longkumer	Msc tutor	M.Sc. (N) Medical Surgical Nursing
Ms. Imliyangla	Msc tutor	M.Sc. (N) Medical Surgical Nursing
Mrs. Luhem kamei	Msc tutor	M.Sc. (N) Medical Surgical Nursing
Ms Theyiesinuo	Msc tutor	M.Sc. (N) Medical Surgical Nursing
Ms Lanunaro	Msc tutor	M.Sc. (N) Medical Surgical Nursing
Mrs. Ningrinchon Rumthao	Tutor	B.Sc (N)
Ms. M Thujovelu Veshume	Tutor	B.Sc (N)
Mrs. Karen Phucho	Tutor	B.Sc (N)
Ms. Hannah Sumi	Tutor	B.Sc (N)
Ms. Mezavino Hibo	Tutor (Study Leave)	B.Sc (N)

Ms. Sedevino	Tutor	B.Sc (N)
Ms. Watitola Longkumer	Tutor	B.Sc (N)
Ms. Meripeni Kithan	Tutor	B.Sc (N)
Ms. Laishram Oshin Chanu	Tutor (Study Leave)	B.Sc (N)
Ms. Angouziia Lily Piku	Tutor	B.Sc (N)
Ms. Rongsenlemla	Tutor	B.Sc (N)
Ms. Ajano Shitiry	Tutor	B.Sc (N)
Ms. Lendina Longkumer	Tutor	B.Sc (N)
Mrs. Daisy Rani	Tutor	B.Sc (N)

### OTHER FACULTY

Mrs. Moasenla	Psychology
Mrs. Pelekhrienuo Kire	Nutrition & Dietetics
Mr. Kalyan Patwary	Biophysics
Ms. Sano Meru	Sociology
Ms. Reubella Paulraj	English
Mr. Merensosang Aier	Computer
Ms Orensani Kithan	Psychiatry
Mr. Bhanbemo Patton	Librarian
Ms. Imnakala	Biochemistry
Ms. Shishi Rongmei	Office Assistant
Mr. Imsuyanger	Office Assistant

### HOSTEL WARDENS FOR AHS & CON

Mr. Bhanbemo Patton	Warden (Boys)
Ms. Bino Peseyie & Ms. Victoria Jamir	Warden (Girls)
