

COLLEGE OF NURSING

INTERNAL QUALITY ASSURANCE CELL (IQAC)

IQAC was initiated in the year 2017 to improve the standard of Nursing Education and for professional development. The first meeting was held on 20th April, 2017 to allot each aspect to faculty to work on for NAAC Accreditation. The focus was on the vision of our college

Vision of College of Nursing: Nursing excellence for individual and community transformation.

Objectives:

- To promote academic and administrative performance of the institution through quality improvement
- To identify the breach related to Nursing education and administration
- To strengthen the core competency of the students through various skill development program

Approaches:

IQAC shall develop plans to

1. Make sure that the curriculum is well planned ahead of time and executed as per the plan
2. Introduce innovative teaching methods including e- learning for better academic performance
3. Provide various clinical experiences to develop knowledge and skill
4. Establish a system for internal and external assessment of students to identify the progress
5. Create a feedback mechanism of students, Alumni and stakeholders related to academic and administration of college activities.
6. Conduct various non academic activities to develop the leadership skills
7. Deliver various extracurricular activities for personality development
8. Develop mentoring system for the welfare of the students physically , emotionally, socially and spiritually.
9. Adopt best practices for better academic performances.
10. Organize inter and intra seminars , workshop and conference for professional development
11. Uphold the credibility of the evaluation process.
12. Conduct periodic educational audit and follow up
13. Strengthen the faculty of college by providing opportunities for continuing Nursing Education and conducting Research
14. Disseminate research findings and networking with other institutions in India and abroad.
15. Function as a nodal agency for skill development

Benefits

IQAC will facilitate / contribute to

- a) Ensure clarity and focus in institutional functioning towards quality enhancement;
- b) Ensure internalization of the quality culture;
- c) Ensure enhancement and coordination among various activities of the institution and institutionalize all good practices;
- d) Provide a sound basis for decision-making to improve institutional functioning;
- e) Act as a dynamic system for quality changes in HEIs;
- f) Build an organized methodology of documentation and internal com
